REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1, 5-8 and 12 are allowed because applicants overcome the second paragraph rejection raised in previous Office Action (item 5). The case is also allowed because the examiner could not make a double patenting rejection over copending applications 10/826,972 and 11/108,164. It has been noted that a terminal disclaimer is filed in 10/826,972 on 11/29/2006 to overcome an obviousness double patenting rejection over the instant case and 11/108,164. To this day, none of the copending applications are allowed. Since this instant case is the early filed case and none of the later filed cases (copending applications 10/826,972 and 11/108,164) are allowed, there is no need to make an obviousness type double patenting rejection. Thus, the instant case is allowed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
